

At Brambleside Primary School (Brambleside Academy Trust) we use the Primary PE and Sport Premium funding to make **additional and sustainable** improvements to the quality of PE and sport we offer. This means that we use the Primary PE and Sport Premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.
